Sequoits Take Lead in Conference Play; Beat Grayslake 3-2

Hostetter's Bat Is Decisive Factor in Victory of Scottmen

The Antioch High Sequoits defeated the Grayslake Rams here 3 to 2 Tuesday afternoon and assumed a half-game lead in the Northwest conference.

In tumbling the Rams from first place, Dick Scott's tribesmen gave evidence of a brand of play that should place them at the top when the season ends.

Coach Scott figures, however, that they must win from Palatine there tomorrow, Grant here next Tuesday and then a final game to win or tie for conference honors.

Mark Verke, Antioch moundman had pitched 17 innings of scoreless ball when Grayslake got its first run Tuesday. He held the visitors to four hits and none of their runs was of the earned variety. Hook, Ram pitcher, held the Sequoits to three hits, but Antioch made her hits count.

Roy Hostetter, first batter for Antioch in the first inning hit the first pitched ball for a triple, and he was brought home when Warren Brownlee bunted for a squeeze play, giving the Sequoits their first score. Grayslake tied the game up in the second when Schreck, the first baseman singled, and when Hostetter turned foul and turned his ankle in catching a foul fly, he advanced a base on a poorly thrown ball. He then scored on Haviland's error at short.

In the third the Rams took the lead when Bartoli doubled and scored when McGrath threw wide in attempting to head him off. The plate on a fielder's choice, Grayslake then filled the bases, but Verke worked himself out of the jam by forcing a pop up and then struck out Chard, the Ram right fielder.

In the fourth Haviland walked, stole second, went to third on an error of Bartoli and scored when the first baseman on a fielder's choice of Voe hit failed to get him at the plate.

With the game all tied up 2 to 2 in the last half of the seventh inning Catcher Jack Lawrence got a hit, stole second, went to third on a fluke play in which the catcher threw the ball to first thinking he had dropped the third strike on the batter Roy Ballwanz when it was merely the second one.

Meyers walked, and then Hostetter cracked out the single that scored the winning run.

Grayslake 0-1-1 0-0-0-0-2-3-4
Antioch 1-0-0 1-0-0-1-3-4-6

Batteries: Verke and Lawrence; Hook and Bartoli.

Antioch has now won nine games and lost three while Grayslake has won eight games and lost three.

Capacity Crowd Hears James Sarver Lecture On Masonry in Orient

A capacity crowd heard James Sarver speak at the regular stated meeting of Sequoit Lodge No. 827, Masonic lodge, on Tuesday night at the Masonic temple. The attendance was swelled by guests from many other Masonic lodges who had heard the well informed speaker was to lecture at Antioch.

James Sarver formerly taught at a Chinese university and has visited more than 450 different Masonic lodges in the Orient: from Japan, China, Philippine Islands, to India which included possessions of British, French and German colonies.

"To my knowledge we have not heard a more qualified speaker talk on Masonry. I have never heard a Masonic talk quite like this," said Bernard Guillaume, worshipful master.

The speaker is on his way to Utah to establish an orphanage for Chinese and Korean children who are now homeless. The children are of Masonic parents who were killed in the last war in Korea and China. He brought out the Masonic sincerity of people in the far east and the ancient history of which he has had a part in developing through his Masonic research in China and India.

Robert Plincombe, junior warden, and his stewards, Clarence Larson and Richard Chapman, Jr., served refreshments following the lecture.

Named Association Secretary
Albert Dittman, principal of Antioch High school, has been named by the board of directors of the Associated Suburban Conference that he has been appointed secretary and treasurer of the association for next year. He already is president of the Northwest Conference which is a member of the association which is made up of conferences in the Chicago area.

Auto Crash Into Pole Cuts Off Lights and Power in North Antioch

Lights were out in the north part of Antioch for an hour Friday night after a car driven by Louis Hoidorf of Camp Lake got out of his control opposite the library on Main st. and struck a Public Service pole putting a power line out of commission.

Mrs. Hoidorf was terribly cut about the head when she was thrown into the windshield and was taken by the Antioch Rescue squad to Victory Memorial hospital in Waukegan for medical care. Her husband was unhurt.

Cause of the accident is not known, but it is supposed that the motorist failed to make the curve in the road.

At Victory Memorial hospital yesterday it was said that Mrs. Henrietta Hoidorf still is bedfast there from her injuries.

Legion Again Plans Popularity Contest with Trip as Prize

The Antioch American Legion again will conduct a popularity contest in connection with its annual carnival.

The contest last year was won by Joan Cervenka and as a result she reigned as queen at the carnival and was given a trip to Washington, D. C., accompanied by her mother.

Dan Lightsey, carnival chairman, said that the contest will be conducted much the same as last year and that award probably again would be a trip to Washington, D. C., with all expenses paid for the queen and her mother.

Prizes were given to those who did not win also. Organizations and business houses may sponsor a candidate the same as last year and the deadline for entries has been set for Saturday, June 5.

The method of voting will be announced later.

The carnival will be operated July 7 to 11 inclusive.

St. Ignatius' to Observe Rogation Sunday With Blessing at Wells Farm

The congregation of St. Ignatius' parish will observe the traditional rites surrounding Rogation Sunday at 3 p. m. Sunday at the farm of Mr. and Mrs. Curtis Wells.

The congregation and its friends will meet on the farm for the purpose of asking God's blessing upon the machinery, the seed, the fields, and the cattle.

The congregation will also pray that God will grant to this nation and to the world a good growing season and abundant crops. "Of course," said Father Hood, pastor of the parish, "it should be remembered that the prayers and blessings which we invoke this Sunday will not be just for the benefit of this faith alone, but for the good of all the world's farmers and their crops."

Joining in the rites will be the Rev. Father Vincent H. Butler, vicar of All Souls Chapel, Waukegan, and his people. It is hoped by the pastor of St. Ignatius' that all who would care to attend these traditional rites will feel welcome to do so.

The Wells farm is situated on Savage road and may be reached from Antioch by going east on Rte. 173 and turning right on the second gravel road after crossing the Soo Line tracks. The farm itself looks as though it sits directly in the center of the road as it makes a turn about a mile and a half from Rte. 173. In event of rain there will be no services.

Marjorie Young Pupils To Give Dance Recital

Marjorie Young of Antioch will present her students in their twelfth annual dance recital at 8 p. m. Saturday in the Lake Villa Grade School.

Jim Barnes, outstanding dance artist, will be master of ceremony, and Miss Jean Bielst of Libertyville will appear as guest artist. Hazel Friday will serve as pianist.

The show will be presented in three scenes, the first will be the Enchanted Lily Pond; the second TV in 3-D; and the third, ballet "Stairway to Eternity."

Vandals Cut Water Hose

Vandals cut a water hose and used it to siphon gasoline from a number of cars parked at the Loop Lake Service station last Thursday evening. Herman Sterbenz, operator of the station reported to sheriff's deputies. The station is on Loop Lake rd. east of Rte. 21.

Local Scouts Attend Camporee at Butler Lake, Libertyville

More than 620 Boy Scouts, leaders, and Explorers from 20 Troops and 4 Explorer posts from the Northwest District of the North Shore Area council camped out at the Badger property on the southwest side of Butler lake, near Libertyville, last week-end.

Under the direction of District Commissioner P. H. Lash and his Corps, a program of Adventure Trail events and camp crafts was carried out, from Friday evening to Sunday noon.

Assistant Commissioner Ace Moore was in charge of registrations and awards; a group of Explorers under guidance of Assistant Commissioner Bert Galigner provided commissary for the headquarters group; and the grounds policing was handled by Explorers from Post 99 of Round Lake.

The Saturday afternoon program of advancement work was handled by Moore, Galigner and other commissioners as follows: John MacGuffin, Harry Jesse, James Olson, Ken Reese, Les Ertman, and Charles Buck. This program ended with a chariot race in the early evening, which was won by Troop 75 of Long Grove.

The evening campfire featured Indian ceremonies, carried out by the Order of the Arrow Lodge and honorary Campers society. A fire lighting ceremony, two Indian dances, and the legend of the Lodge were presented by eight members of the Arrow. John Celba assisted Nick Bock in directing these events.

Harry Jesse of Grass Lake, Assistant District Commissioner, was presented the Arrow Head Award for his accomplishments in training. Troops 98 of Grayslake, 75 of Long Grove, 77 of Mundelein, and 93 of Lotus Country School were presented with banners for having advanced more than 40 per cent of their scouts to First Class. Five other Northwest District Troops had earned this recognition previously this year. They are Troop 70 of Diamond Lake, Troop 71 of Libertyville, Troop 80 of Grass Lake, Troop 86 of Channel Lake, and Troop 91 of Indian Hill, Round Lake.

Protestant Church services were conducted by the Rev. Theodore Ross of Half Day, and Mass was said for Catholic scouts and leaders by the Rev. Fr. Roger Jones of St. Joseph's church in Libertyville.

Elizabeth Konsitzke, 52 Dies After Long Illness

Elizabeth Konsitzke, 52, of 1108 South Main street died Thursday, May 13 at 6:55 p. m. at Victory Memorial hospital, Waukegan, following a lingering illness. She was born June 22, 1901 at Evansville, Wis., moving to Waukegan in 1931 and for the past year she had made her home in Antioch.

Survivors are her husband, Conrad, two sons, Anthony of Greendale, Wis., and Conrad, Jr., of Paducah, La.; two daughters, Mrs. Anna Palique and Mrs. Elizabeth Strand, both of Milwaukee; and five brothers Bob, Bill, Otto, Chris and Lewie, of Evansville.

Funeral services were held at 11 a. m. Saturday at St. Peter's church. Interment was in Mt. Carmel cemetery.

Wilnot Speedway Will Open Saturday, May 29 With Stock Car Races

A grand opening of the Wilnot (Wis.) Speedway will take place Saturday, May 29 with a stock car race as the big attraction.

Many well-known drivers of the Midwest will be brought to the track for the big event.

On Monday, May 31, there will be midweek car races. Champion drivers from Wisconsin, Illinois and Iowa will compete.

The time trials will be at 6:30 p. m. and the races will start at 8:15 p. m.

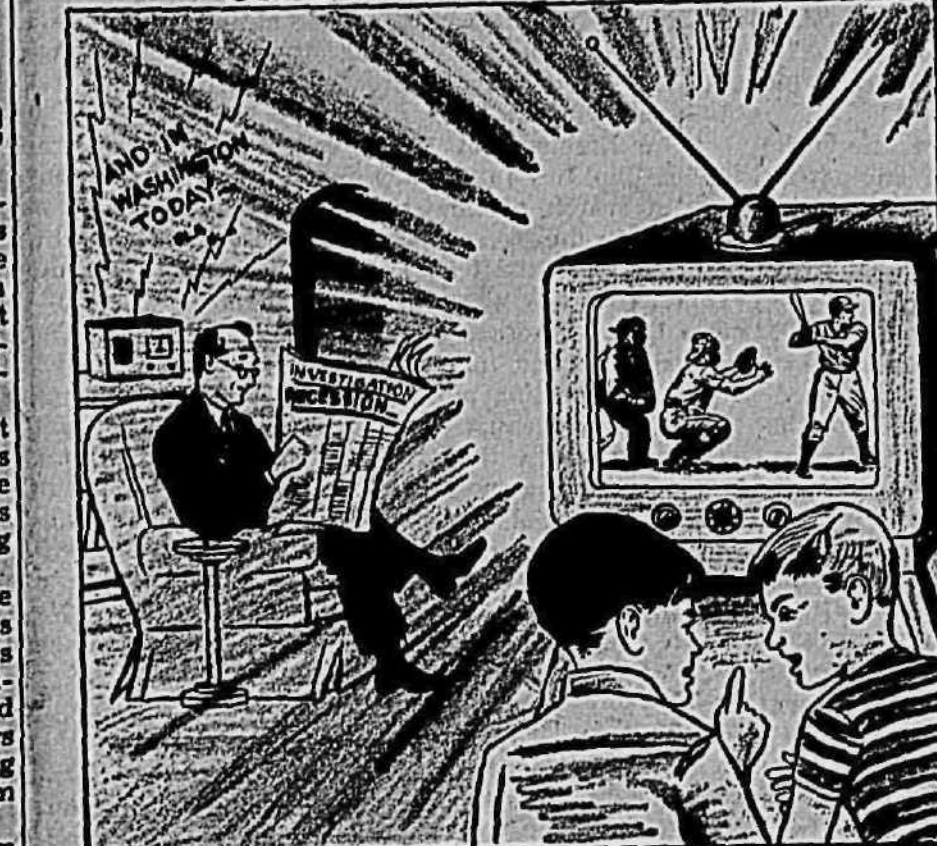

The track is in the vicinity of the high school.

William F. Mongan, 30, Gets Training in T-V

Chicago—William F. Mongan, 30, 937 David St., Antioch, has been awarded a diploma for successful completion of a 36-week residential training program in Television and Radio Servicing from DeVry Technical Institute, affiliated with DeForest's Training Inc., 4141 Belmont ave., Chicago.

William, a veteran of World War 2, served 10 years in the Air Force. His service in the Korean war took him to the Korea, Japan, England, Germany, French Morocco (North Africa) theatres of war.

SIGNS OF THE TIMES

Sox Beat Cubs in First Game of Little League

The Little League season opened Sunday with a victory by the Sox over the Cubs by a score of 16 to 5. Dahman on the mound for the Sox held the Cubs to four hits while his teammates took advantage of Cub errors to push over five runs in the fourth and eight in the sixth to clinch the victory. Pyle started for the Cubs and was replaced in the fifth by Williamson. Summary: Teams Sox 2-1-0-5-8-0-16 7-5 Cubs 2-0-0-0-2-1-5 4-8 Batteries: Sox—Dahman and Gudgen; Cubs—Pyle, Williamson (4), Williamson and Austin (2). Home runs, Dahman, 2; Pyle, 1; three-base hits—Halek of the Sox; two-base hits, George (S), Cremin (C).

Alex Christolm, 52 Buried in Chicago

Funeral services for Alex Christolm, who passed away May 6 in the Norwegian American hospital in Chicago, were held Monday, May 10 at 1 p. m. in the chapel 4553 Milwaukee Ave., Chicago. Mr. Christolm, president of James Christolm and Sons, Inc., wholesale hardware dealers in Chicago, was a member of Union Park Masonic Lodge 610 and of the Ida Faxton Eastern Star chapter No. 698 in Chicago.

He is survived by his widow, Ida; a daughter, Mrs. Mildred Heyny; and three sons, Donald, Alex W., and Roger. The Christolm family were living on Sylvan Beach drive, Antioch.

Antioch Frosh-Soph Track Team Fourth In Conference Meet

Antioch's place in varsity track may see an upswing next year as the result of the favorable showing of the frosh-soph at the conference meet at Palatine recently.

Antioch finished fourth with 23 points just behind Bensenville which scored 24. As was expected Palatine with 61 points finished first for the fourth straight year, while Glenbrook with 38.

Behind Antioch were Wauconda 2; Grant 9; Elia-Vernon 5; and Grayslake 4.

Seven conference records were broken, six of them having been established by Lake County teams.

Plechay of Antioch finished in a three-way tie with Swanson of Palatine and Finley of Glenbrook for the best individual performance of any Lake county boy in this meet. Four other Antioch boys broke into the scoring column and the Sequoit underclassmen placed third in the relay and fifth in the soph relay. Vern Burdick took second in the pole vault and fourth in the half-mile. Don Schroeder took third in both the low hurdles and the broad jump. Jim Bown placed fourth in the shot and Jim Scully finished fifth in the quarter mile.

Ingleside Man Chosen Lions Dist. Governor

Morris M. Benzuly, 54 Lake rd., Ingleside, was elected governor for District I-F at the state convention of the Lions club in Springfield. He will be installed in July at the International convention in New York. Benzuly has just completed his term as deputy district governor and was moved up to governor. The Antioch Lions club is in the district governed by Benzuly.

Civil Defense Test to be Made Sunday with Siren Warning

Director John Horan Begins Series of Tests to Prepare Antioch

A Civil Defense warning test will be sounded in Antioch at 2 p. m. Sunday, John L. Horan, local director, announced today.

The fire siren will sound long and short blasts which is the regular warning and a long blast afterward will announce that the danger is over.

"The test warning is merely to acquaint the people of the Antioch area with the nature of the warning and no assembly of any equipment will be made at this time," Director Horan said.

Use of telephones during the period is forbidden, however, except in the case of emergency.

Notices to Antioch citizens—black print on a red card, were distributed to homes in Antioch today by boy scouts to make sure that all persons are notified of Sunday's plans.

Director Horan met last evening with Fire Chief Edgar Simonsen, Rescue Squad Chief Herman Holbek, Police Chief Walter I. Scott, and Harold Nelson, representing the Chamber of Commerce in outlining plans for civil defense this summer.

On June 14, the state of Illinois will join the national program in staging a test for the evacuation and care of people in an imaginary bomb raid on principal cities of the state. At that time Antioch will be called upon to provide shelter for the people evacuated, or to render first aid.

Wendy Midgley and Wm. Terry Chosen Outstanding Seniors

Wendy Midgley, daughter of Dr. and Mrs. Calvin Midgley of Lake Villa, and William Terry, son of Mr. and Mrs. William F. Terry of Channel Lake, have been selected by the Antioch Township High School as the outstanding senior girl and boy.

This is the second annual selection by the school and sponsored by the Antioch Woman's club. Wendy and William were selected on the basis of four characteristics. The characteristics are scholarship, leadership, service and citizenship.

Both students have been very active in the whole school program. Wendy has participated in band, cheerleading chorus, dramatics, the yearbook, school newspaper, student council and National Honor Society. She was the Girls' State representative her junior year and this past year the D. A. R. selection. Wendy has also held several school offices. She will enter a teacher training institution this September.

William has been the Student Council president this past year. He has also held several other class offices during his four years in school. The youth has been interested in athletics and dramatics. He recently took competitive examinations at Wabash College which resulted in his receiving a scholarship from that institution. William is a member of the Antioch Chapter of the National Honor Society.

Play Starts Today in Antioch Pony League

The Antioch Pony team will play its first home game here at the High School field this evening. The game will start at 8:30 p. m. and a good turnout is hoped for.

Schedule of Games

May 20—Island Lake at Antioch
May 23—Antioch at Wauconda
May 27—Fox Lake at Antioch
June 3—Antioch at Island Lake
June 6—Wauconda at Antioch
June 10—Antioch at Fox Lake
June 13—Island Lake at Antioch
June 17—Antioch at Wauconda
June 20—Fox Lake at Antioch
June 24—Antioch at Island Lake
June 27—Wauconda at Antioch
July 1—Antioch at Fox Lake
July 8—Island Lake at Antioch
July 10—Antioch at Wauconda
Sunday games start at 3 o'clock
Thursday games start at 8:30 p. m.

Grass Lake P. T. A. To Install Officers

Grass Lake School PTA will meet at 8 p. m., May 21 to install new officers. Mrs. Frank Fago, Zlon, director of District 28, will be the installing officer.

The group expects to make plans for the school picnic to be held on June 3 at Fox River Park. Refreshments will be served by Mrs. Roy Franier and her committee of first grade mothers.

Machines and Small Farms

Among the many changes that have taken place in the world of farming in the last generation or so, there has been a substantial increase in the size of the average farm.

One of the most important reasons for this is the great progress made in the use of farm equipment. Machinery, which gets more efficient and more durable all the time, has made it possible for each farmer to develop and till far more acreage than used to be the case, with much less physical effort.

That doesn't mean that the age of the small, family farm is coming to an end—or that this kind of farm is unable to qualify for the benefits of mechanization. While the small farmer can't buy all the mechanized equipment that we see on the large farms, by cooperating with his neighbors, he can achieve a high degree of mechanization. One farmer buys one kind of machine, another buys another, and so on. Then they pool these invaluable and indefatigable mechanical laborers and get the work done—swiftly, and at minimum cost in money and human energy.

This is the age of the machine in farming just as it is in industry. And that is true of all modern farms, not just the larger ones.

Here's Real Progress!

In 1942, 16,000,000 people had protection against hospital and medical expenses under the various voluntary health insurance plans. Now nearly 100,000,000 have it.

On top of that, more than 1,000,000 persons are already insured under a new form of coverage which is written on a deductible basis, much like automobile collision insurance, and which protects against costly major illnesses of extended duration.

Socialism Is Expensive

Randy Haskell Hamilton, spokesman for the American Municipal Association, which is composed of 12,000 cities in 43 states, told a House Subcommittee on Government Operations, of the serious conditions confronting local communities as a result of the alarming growth of national socialism.

Among the types of business and industry in which the federal government has become involved, Mr. Hamilton listed, "fabrication, repair, generation of electric energy, transportation, storage, banking, insurance, mining, . . ."

These activities are tax-exempt, at the expense of local and all other units of government. According to Mr. Hamilton, in many communities " . . . the citizens have found that they must carry a disproportionately heavier load of local taxes in order to pay for the municipal services."

Yes, socialism is expensive—both in money, and in lost freedom and opportunity.

Chemistry and Modern Living

The week beginning May 17th has been designated as Chemical Progress Week. Its purpose is to better acquaint the people with a science and industry which touches our lives directly from the moment the alarm clock rings in the morning until we switch off the last light at night.

This is literally true. Almost everything we use each day has been created, improved, or in some beneficial way affected by chemistry. The all-but-endless list ranges from shaving creams, face creams, tooth brushes and hair brushes through water, soap, clothing, food, automobiles, newspapers and magazines, furniture, and so on ad infinitum. And, surprisingly, the greater part of all chemical progress has been accomplished since World War I—but a moment in time, as history goes.

The lifeblood of the chemical industry is research—the day-in-and-day-out work of the scientists in search of new products, new ways to do things, new horizons of knowledge. At the moment, the chemical industry is conducting annually some \$275,000,000 worth of privately-financed research—more than any other of the nation's industries. The results are found in every facet of living—in better health, longer life, more jobs and opportunities.

Perhaps chemistry's most salient achievements have been in the fields of medicine and agriculture. In the one, it is responsible for gigantic strides in the eradication of diseases which once plagued mankind. In the other, it has immensely increased soil fertility and supplied potent weapons with which to fight the ravages of insects and plant disease. No industry has brought mankind more benefits in the space of one short lifetime.

* * *

The Low Down From Hickory Grove

Vexatious problems are on our menu—regular—they don't leave us much time to tend to business. Worldwide and what have you, our dish is problems—if we tune-out an hour—and then tune-in—it will be a brand and completely new perplexing dilemma to addle us. But I say we have nobody to blame but our own selves. Like the bear that chased the 2-fisted, rugged lady into the barn, he got what was coming to him and limped away with a sore noggin.

Half our problems—yep, 90 out of 100—are synthetic. Made to order to encourage argument—and half the time we are suckers and nibble on the new modes as proposed by those with an iron in the fire. Take Muscle Shoals—it is one of the granddaddy problems. Muscle Shoals started out to be a U. S. powder mill for the World War. It never got around to one pound of powder. Then some bright minds started an argument. Why not let 'em make kilowatts versus powder. The argument won, because folks were busy and not too hep to biased, rosy talkers. That was where Govt. power got a foot-hold and we now have TVA, Grand Coulee, Hungry Horse and many others on the landscape—none paying taxes and a load on all backs Maine to Oregon. You and me that is, no smarter than the uppity bear monkeying with a buzz-saw.

Now—in this year of our vexatious problems, 1954—is a time to unload and taboo 90 per cent of what is vexing us and hampering our daily efforts.

Yours with the low down,

JO SERRA

coming the greatest distance, Mrs. Gunnar Nelson of Oak Park and two daughters coming the greatest distance, Mrs. George Murrie of Kenosha and Mrs. Rasmussen of Fox Lake were each given a geranium.

Millburn unit of Home Bureau will meet at the home of Mrs. Arthur Becker Friday afternoon, May 21 at 1:30 o'clock. County Home Adviser will give the major lesson "Weight Control for Health and Happiness."

J. S. Denman is a patient in Victory Memorial hospital where he underwent surgery last Wednesday. Sophey Lazaraton of Chicago spent the week end at the Lyman Thain home, and was honored at a party at the John Thain home Friday evening.

Mr. and Mrs. Harry Shank, son, Robert and daughter, Delores spent Sunday with Mrs. Mabel McCarthy in Hammond, Ind.

Mr. and Mrs. Joseph Strohal spent Sunday with Mr. and Mrs. Wm. Brinker in Berwyn.

Many from Millburn attended the party honoring Mr. and Mrs. D. W. Thompson at Warren High School Monday evening.

Thomas Harness with Jos. Nader, Sr. and Jos. Nader, Jr., of Lake Villa spent the week end at Chetek, Wis.

Mrs. Ora Davis, who has spent the past six months at the home of her daughter, Mrs. L. H. Messersmith, left for her home in Farnam, Nebr., Monday. She was accompanied by the Rev. L. H. Messersmith who will spend a few days with his parents. Mr. and Mrs. Harry Messersmith in Farnam.

Miss Josie Mann, who had been a surgical patient in St. Therese hospital, returned home Saturday. She wishes to thank her friends for the many cards she received while in the hospital.

Mrs. Minnetta Bonner of Rhineland, Wis., came Monday for a few weeks visit with relatives here. Mr. and Mrs. Milton Smith of Wichita, Kans., are spending a week at the Savage-Smith home.

Mr. and Mrs. Warren Hart and three sons and Mr. and Mrs. Willis Spencer of Marion, Ind., spent Saturday at the Harry Shank home.

Mrs. Herbert Messner entertained a group of ladies at her home Friday afternoon.

Mr. and Mrs. Charles Timmerman and daughter drove to Cedar Rapids, Iowa, Saturday. Her mother Mrs. Ogden Schoonmaker of Wauwatosa, Wis., who had been visiting her sister there, returned home with them Sunday evening.

Tips on
Traffic
Safety

By
CHARLES F. CARPENTIER
Secretary of State

How's your approach to a congested traffic situation? Are you a bull-of-the-woods, or do you practice a little old-fashioned politeness? Courtesy pays off. It will save you dented fenders and frayed nerves, at least.

Here is an experience reported by Will Bernard in a recent article in a newspaper magazine supplement. In his regular driving route, Ber-

nard said, he traveled along a side street until he reached a point where "I have to nudge my way into a long line of cars that creeps, by file and starts, toward the crowded intersection ahead."

As soon as an opening appeared, Bernard would start to ease his car into it, causing one of two reactions from the driver of the car right behind the opening. "That" driver would either move forward quickly to block Bernard, or, falling in that maneuver, would glower at him for getting there first.

Then one day Bernard tried a different approach. He waited until he caught the attention of one of the drivers on the busy street, motioned to the space ahead of him and "crinkled my forehead in a questioning expression."

The other fellow nodded and, with a big grin, waved Bernard ahead. As Bernard said, "I had given him a chance to show what a good sport he was."

Try it yourself. It never fails.

Machines and Small Farms

Among the many changes that have taken place in the world of farming in the last generation or so, there has been a substantial increase in the size of the average farm.

One of the most important reasons for this is the great progress made in the use of farm equipment. Machinery, which gets more efficient and more durable all the time, has made it possible for each farmer to develop and till far more acreage than used to be the case, with much less physical effort.

That doesn't mean that the age of the small, family farm is coming to an end—or that this kind of farm is unable to qualify for the benefits of mechanization. While the small farmer can't buy all the mechanized equipment that we see on the large farms, by cooperating with his neighbors, he can achieve a high degree of mechanization. One farmer buys one kind of machine, another buys another, and so on. Then they pool these invaluable and indefatigable mechanical laborers and get the work done—swiftly, and at minimum cost in money and human energy.

This is the age of the machine in farming just as it is in industry. And that is true of all modern farms, not just the larger ones.

Here's Real Progress!

In 1942, 18,000,000 people had protection against hospital and medical expenses under the various voluntary health insurance plans. Now nearly 100,000,000 have it.

On top of that, more than 1,000,000 persons are already insured under a new form of coverage which is written on a deductible basis, much like automobile collision insurance, and which protects against costly major illnesses of extended duration.

Socialism Is Expensive

Randy Haskell Hamilton, spokesman for the American Municipal Association, which is composed of 12,000 cities in 43 states, told a House Subcommittee on Government Operations, of the serious conditions confronting local communities as a result of the alarming growth of national socialism.

Among the types of business and industry in which the federal government has become involved, Mr. Hamilton listed, "fabrication, repair, generation of electric energy, transportation, storage, banking, insurance, mining, . . ."

These activities are tax-exempt, at the expense of local, and all other units of government. According to Mr. Hamilton, in many communities " . . . the citizens have found that they must carry a disproportionately heavier load of local taxes in order to pay for the municipal services."

Yes, socialism is expensive—both in money, and in lost freedom and opportunity.

Chemistry and Modern Living

The week beginning May 17th has been designated as Chemical Progress Week. Its purpose is to better acquaint the people with a science and industry which touches our lives directly from the moment the alarm clock rings in the morning until we switch off the last light at night.

This is literally true. Almost everything we use each day has been created, improved, or in some beneficial way affected by chemistry. The all-but-endless list ranges from shaving creams, face creams, tooth brushes and hair brushes through water, soap, clothing, food, automobiles, newspapers and magazines, furniture, and so on ad infinitum. And, surprisingly, the greater part of all chemical progress has been accomplished since World War I—but a moment in time, as history goes.

The lifeblood of the chemical industry is research—the day-in-and-day-out work of the scientists in search of new products, new ways to do things, new horizons of knowledge. At the moment, the chemical industry is conducting annually some \$275,000,000 worth of privately-financed research—more than any other of the nation's industries. The results are found in every facet of living—in better health, longer life, more jobs and opportunities.

Perhaps chemistry's most salient achievements have been in the fields of medicine and agriculture. In the one, it is responsible for gigantic strides in the eradication of diseases which once plagued mankind. In the other, it has immensely increased soil fertility and supplied potent weapons with which to fight the ravages of insects and plant disease. No industry has brought mankind more benefits in the space of one short lifetime.

The Low Down From Hickory Grove

Vexatious problems are on our menu—regular—they don't leave us much time to tend to business. Worldwide and what have you, our dish is problems—if we tune-out an hour—and then tune-in—it will be a brand and completely new perplexing dilemma to addle us. But I say we have nobody to blame but our own selves. Like the bear that chased the 2-fisted, rugged lady into the barn, he got what was coming to him and limped away with a sore noggin.

Half our problems—yea, 90 out of 100—are synthetic. Made to order to encourage argument—and half the time we are suckers and nibble on the new modes as proposed by those with an iron in the fire. Take Muscle Shoals—it is one of the granddaddy problems. Muscle Shoals started out to be a U. S. powder mill for the World War. It never got around to one pound of powder. Then some bright minds started an argument. Why not let 'em make kilowatts versus powder. The argument won, because folks were busy and not too hep to biased, rosy talkers. That was where Govt. power got a foot-hold and we now have TVA, Grand Coulee, Hungry Horse and many others on the landscape—none paying taxes and a load on all backs Maine to Oregon. You and me that is, no smarter than the uppity bear monkeying with a buzz-saw.

Now—in this year of our vexatious problems, 1954—is a time to unload and taboo 90 per cent of what is vexing us and hampering our daily efforts.

Yours with the low down,

JO SERRA

coming the greatest distance, Mrs. Gunnar Nelson of Oak Park and two daughters coming the greatest distance, Mrs. George Murre of Kenosha and Mrs. Rasmussen of Fox Lake were each given a geranium.

Millburn unit of Home Bureau will meet at the home of Mrs. Arthur Becker Friday afternoon, May 21 at 1:30 o'clock. County Home Adviser will give the major lesson "Weight Control for Health and Happiness."

J. S. Denman is a patient in Victory Memorial hospital where he underwent surgery last Wednesday. Sophie Lazaraton of Chicago spent the week end at the Lyman Thain home, and was honored at a party at the John Thain home Friday evening.

Mr. and Mrs. Harry Shank, son, Robert and daughter, Delores spent Sunday with Mrs. Mabel McCarthy in Hammond, Ind.

Mr. and Mrs. Joseph Strohal spent Sunday with Mr. and Mrs. Wm. Brinker in Berwyn.

Many from Millburn attended the party honoring Mr. and Mrs. D. W. Thompson at Warren High School Monday evening.

Thomas Harness with Jos. Nader, Sr. and Jos. Nader, Jr., of Lake Villa spent the week end at Chetek, Wis.

Mrs. Ora Davis, who has spent the past six months at the home of her daughter, Mrs. L. H. Messersmith, left for her home in Farnam, Neb., Monday. She was accompanied by the Rev. L. H. Messersmith who will spend a few days with his parents, Mr. and Mrs. Harry Messersmith in Farnam.

Miss Josie Mann, who had been a surgical patient in St. Therese hospital, returned home Saturday. She wishes to thank her friends for the many cards she received while in the hospital.

Mrs. Minnetta Bonner of Rhinelander, Wis., came Monday for a few weeks visit with relatives here.

Mr. and Mrs. Milton Smith of Wichita, Kans., are spending a week at the Savage-Smith home.

Mr. and Mrs. Warren Hart and three sons and Mr. and Mrs. Willis Spencer of Marion, Ind., spent Saturday at the Harry Shank home.

Mrs. Herbert Messner entertained a group of ladies at her home Friday afternoon.

Mr. and Mrs. Charles Timmerman and daughter drove to Cedar Rapids, Iowa, Saturday. Her mother Mrs. Ogden Schoonmaker of Wauwatosa, Wis., who had been visiting her sister there, returned home with them Sunday evening.

If a man empties his purse into his head, no one can take it from him. Intelligence does not originate in him.

GET READY FOR SAFER OUTDOOR LIVING

Now is the time to repair rotted sills, to check weakened outside cellar doors, porch flooring, stair treads, railings, and fencing that needs attention. Moisture and outdoor conditions rot untreated wood materials quickly. Check children's play equipment too. Replace worn out rope on swings. Be sure rust has not weakened the outdoor gym and that legs are firmly set to prevent equipment from tipping over.

Tips on Traffic Safety

By
CHARLES F. CARPENTIER
Secretary of State

How's your approach to a congested traffic situation? Are you a bull-of-the-woods, or do you practice a little old-fashioned politeness? Courtesy pays off. It will save you denied fenders and frayed nerves, at least.

Here is an experience reported by Will Bernard in a recent article in a newspaper magazine supplement. In his regular driving route, Ber-

nard said, he traveled along a side street until he reached a point where "I have to nudge my way into a long line of cars that creeps, by the and starts, toward the crowded intersection ahead."

As soon as an opening appeared, Bernard would start to ease his car into it, causing one of two reactions from the driver of the car right behind the opening. That driver would either move forward quickly to block Bernard, or, failing in that maneuver, would glower at him for getting there first.

Then one day Bernard tried a different approach. He waited until he caught the attention of one of the drivers on the busy street, motioned to the space ahead of him and "crinkled my forehead in a questioning expression."

The other fellow nodded and, with a big grin, waved Bernard ahead. As Bernard said, "I had given him a chance to show what a good sport he was."

Try it yourself. It never fails.

What's a **HILL** to POWER like this?

You've climbed hills before, we know.

You've come to many a long rise in the road ahead and tramped down on the gas pedal to make the grade.

But did you ever head a ROADMASTER up a hill—a 1954 ROADMASTER?

You seem to sail when you touch off the great V8 power that gives life to this finest of Buicks.

You move ahead and up that long steep pull in a silken, smooth sweep of almost effortless ease—and the thrill your spirits get from such magnificent ability is a precious thing.

And you realize, of course, that a wealth of advanced high-compression V8 power—(the highest horsepower in all Buick history, in fact)—is the heart of this stirring performance.

But you also realize soon enough that your tremendous satisfaction at the wheel of a ROADMASTER comes from more than great power alone.

It comes from the instant response and absolute smoothness of Twin-Turbine Dynaflo.

It comes from the velvety luxury of your all-coil-spring ride. It comes from the superb ease

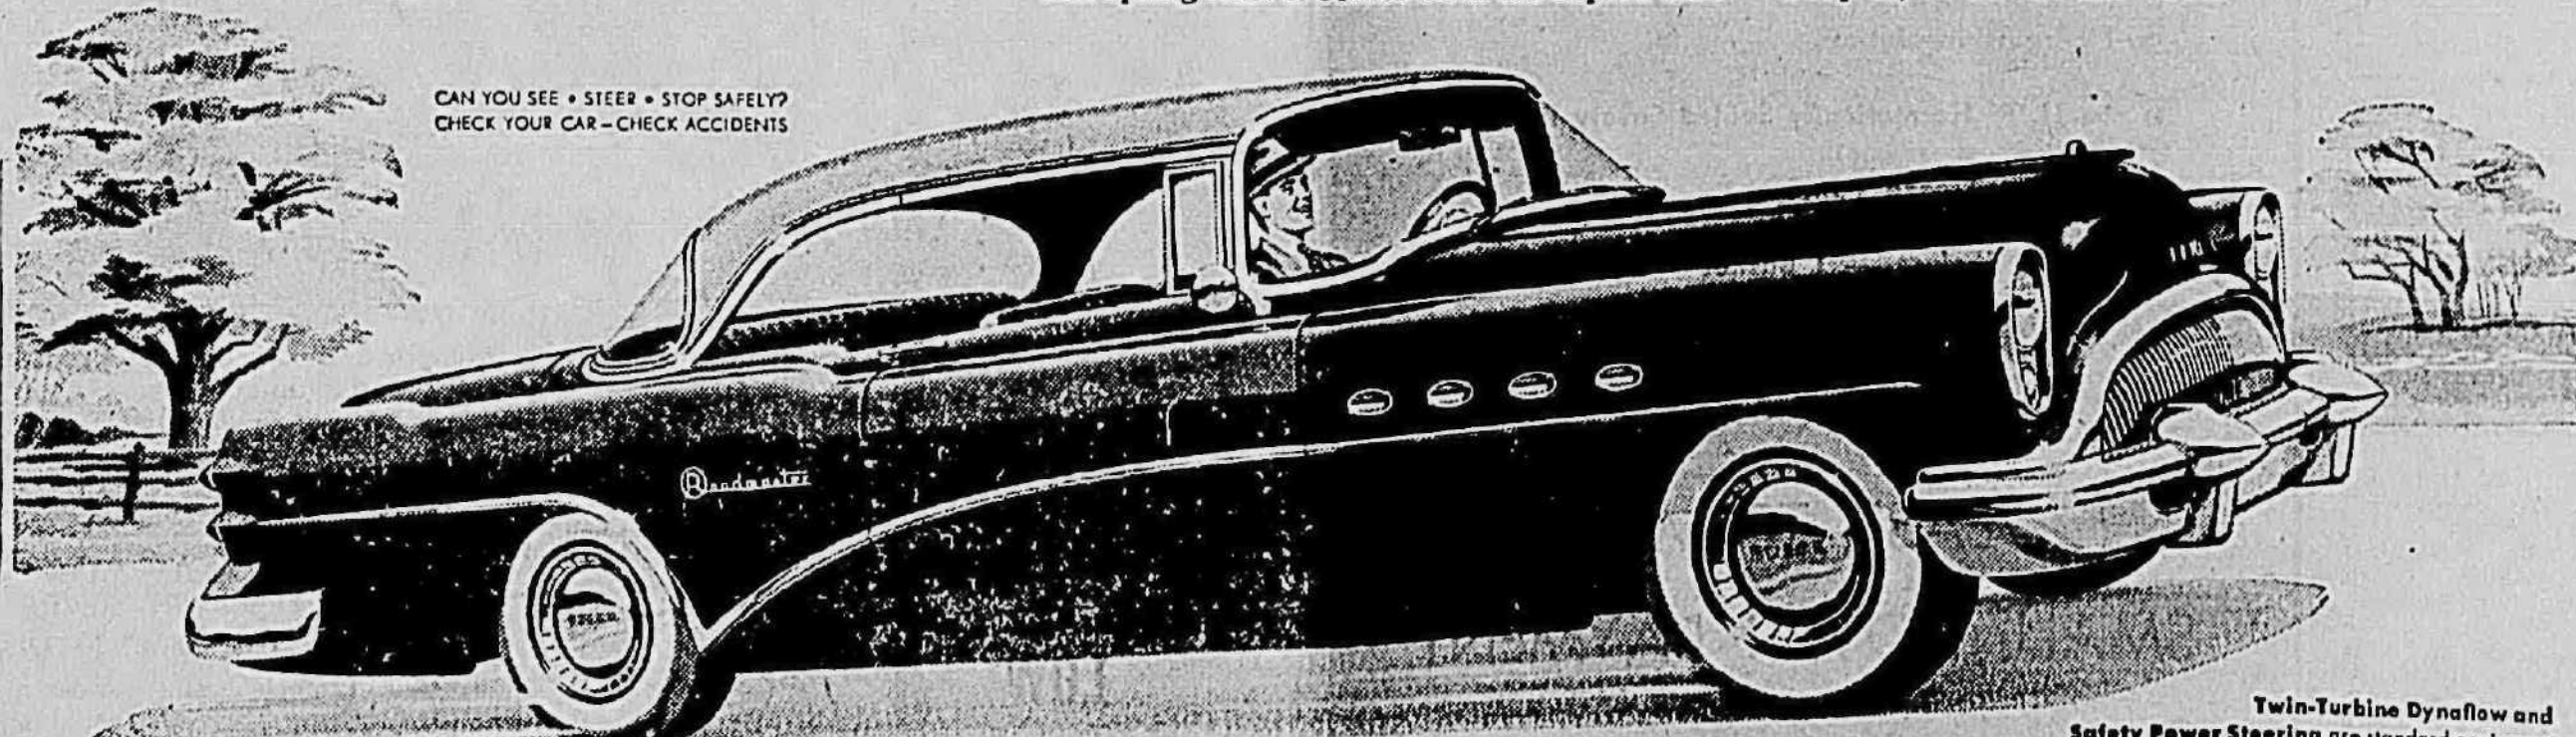

of Safety Power Steering. It comes from the comforting feel of ample roadweight—brought to feather-light handling precision by a new geometry in front-end engineering.

And very definitely, it comes from the eye-catching beauty in which you travel—the look-of-tomorrow styling that graces ROADMASTER today—and with the spectacular new panoramic windshield that is fast becoming the mark of true automobile modernity.

We'll be delighted to seat you at the wheel of a new ROADMASTER—so that you can drive it, try it, feel it.

It costs you nothing to do so—and it can open your eyes to the finest buy in fine cars today. Drop in, or call us this week.

only Plymouth dares compare!

now... part-by-part proof that Plymouth is
America's "best-buy" low-price car!

No other low-price car would dare make a comparison like this: Plymouth engineers actually dismantled the three best-known low-price cars and compared them, part by part! Their findings, a few of which we've listed below, prove conclusively that Plymouth is far-and-away your "best buy" in the lowest-price field.

Here's just some of the overwhelming proof that Plymouth is "best buy"!

Comfort Level Seating

Both front and rear Plymouth seats are highest. Plymouth research found this more natural seating position gives greater posture protection and comfort.

Front Wheel Brakes

Plymouth engineers provide two hydraulic brake cylinders in each front wheel to ensure smooth, straight-line stops without "grabbing." The "other two" have only one brake cylinder in each front wheel.

Spark Plugs

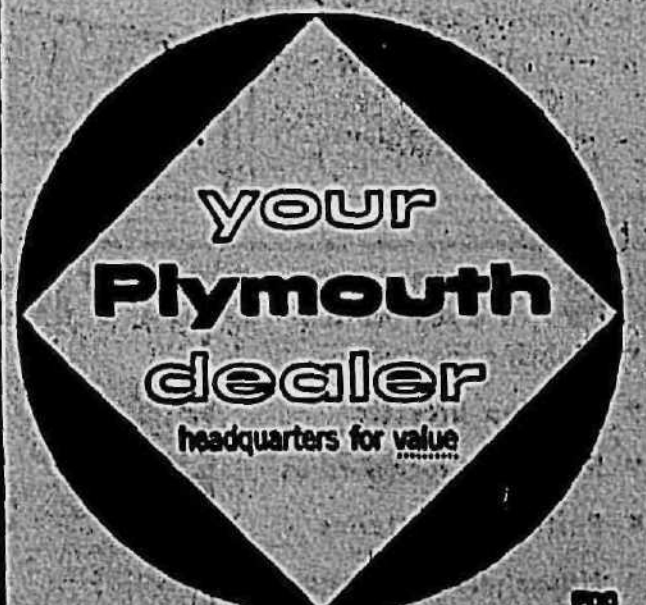

Because they last up to five times longer before re-setting is necessary, Plymouth uses resistor-type spark plugs. This type plug also produces smoother idling, better gas economy at low speeds.

Oil Bath Air Cleaner

An oil bath air cleaner can reduce engine wear as much as 90%. This unit is standard equipment on all Plymouth models; it is available only at extra cost on the other two low-price cars.

And dozens of other part-by-part comparisons prove Plymouth is your "best buy"! See us today... and get the facts!

Ask us for the big illustrated booklet that shows how Plymouth leads in frame construction... engine design... performance... economy... comfort... safety.

Go for a drive in
America's "best-buy" low-price car!

SOCIETY EVENTS

Phyllis Ann McMillen Becomes Bride of Mr. J. J. Kakacek, Sat.

Phyllis Ann McMillen, daughter of Mr. and Mrs. J. W. McMillen, Parkway avenue, Antioch, became the bride of John J. Kakacek, son of Mrs. Emily Kakacek, 2525 South Central Park avenue, Chicago, at 3:30 o'clock Saturday, at St. Peter's church, with the Rev. Fr. Johnson officiating at the double ring ceremony.

Given in marriage by her father, Miss McMillen wore a princess style satin gown, the skirt featured a long train. Her fingertip veil of white illusion fell from a Juliet cap of satin and lace. She carried a colonial bouquet of white roses and lilies of the valley.

Miss Elaine Morley, Waukegan, was maid of honor. Patsy Keulman, Mary Vos and Mary Ann Janus were bridesmaids. Louisa Vos served as junior bridesmaid. They wore gowns of orchid satin, princess style, violet caps and their flowers were pink roses and violets.

Charles Vetik, Chicago, was best man and James McMillen, Jr., Russell Anderson, Ted Janus and Marion Muskovitz, were ushers.

The bride's mother wore a floor length gown of ashes of roses lace, her flowers were pink orchids. The groom's mother wore a floor length gown of pink shantung with pink and white accessories, her flowers were white orchids.

A wedding reception for three hundred and fifty guests was held following the ceremony at Our Country Club, club house. Following a wedding trip to Florida and southern states the newlyweds will be at home in Antioch. Mrs. Kakacek is a graduate of Antioch Township High school and attended Beloit college. Mr. Kakacek is a graduate of St. Rita High school, Chicago and of Marquette University, Milwaukee.

Kenosha Co. B. & P. W. Club Installs Officers; Has Guests at Lecture

The Kenosha County Business and Professional Women's club held a dinner meeting Tuesday evening at the Colony House, Rock Lake. Sixty-five persons were present, including many guests.

Guests of honor were Mrs. Stella Krueger, chairman of the Northwest District of B. & P. W. Clubs, and Cele Rose, vice president of the Southwestern district of Wisconsin. Atty. Matt Taylor of Milwaukee addressed the club on the subject of American interests in the Far East, discussing the Korean, and Indo-Chinese incidents, and other matters in the Orient.

Officers installed by the club were Mrs. Ruth Miller, Wilmet, president; Mrs. Lucy Corsi, Salem, vice president; Mrs. Florence Neuenfeldt, Salem, recording secretary; Miss Marjorie Stoken, Trevor, corresponding secretary; Mrs. Daphne Loftus, Wilmet, treasurer; Mrs. Charlotte Schnurr, and Mrs. Mildred Swartz, trustees.

Eleven Antioch club members and guests were present. They were Mesdames Wanda Ostdahl, club president, Fern Lux, Esther Wilton, Margaret Gaston, Jane Coddington, Lillian Hand, Gertrude Dunning, Alma Cole, Dorothy Thompson, and Mrs. J. Vander Lester. Members of the Burlington club also were present.

BREAKSTONES TO DESCRIBE TRIP TO EUROPE SUNDAY

The Sunday Evening Club of the Methodist church will meet at 8 p. m. Sunday at the home of the Rev. and Mrs. Howard Benson to listen to Dr. and Mrs. L. L. Breakstone describe their recent trip to Europe. They plan to show movies they took.

Antioch Chapter O.E.S. Observes Advanced Nt. Saturday, May 15th

Mrs. Helen Luedike, associate matron, and Clarence Larsen, associate patron of Antioch chapter Order of the Eastern Star, served as worthy matron and worthy patron Saturday evening, when Antioch chapter observed advanced officers night. Serving in the west were Theodora Hennings, conductress of Antioch Chapter and Emery Allison, of Millburn. Mrs. Lillian Woods, associate conductress of Antioch chapter served as conductress. Maybelle Collins of Deerfield chapter was guest of honor.

Guest officers were: Paul Barnett, Waukegan chapter, secretary; Herve Surrey, Sorosis chapter, treasurer; Elsie Jones, Lake Forest, associate conductress; Una Lundgren, Millburn, chaplain; Regina Christensen, Libertyville, marshal; Deborah Van Patten, past matron of Antioch chapter, organist; Ann Magnuson, Sorosis chapter, Adah; Helen Pelech, Mayflower chapter, Ruth; Helen Jlovsek, Waukegan, Esther; Dorothy Joyce, Campbell chapter, Martha Leila Timmerman, Easter chapter, Electa; Natalie Cook, Palatine, warder; John Rohner, sentinel; Frank Schwartz, Deerfield, color bearer; and Elsie Hays, Antioch soloist. Lillian Gaa and Harriet Davik, grand lecturers of the State of Illinois were escorted and introduced.

Following the meeting a luncheon was served in a beautifully decorated dining room. Mrs. Margaret Pincombe, assisted by Grace Lucas had charge of refreshments and Mesdames Lillian Gaa, Dorothy Farms, Helen Luedike, Vivian Maplethorpe and Lillian Woods served on the decorating committee.

Auxiliary News

Mrs. Lucy Himens and Mrs. Dorothy Horan, members of Antioch unit, also Poppy Chairman and co-chairmen for 10th District, gave a 15 minute program over radio station WKRS last Friday at 10:30 a. m. They told the "Story of the Poppy."

"The Poppy You Wear Shows That You Care"

Friday and Saturday, May 21-22 will be Poppy Days in Antioch and elsewhere for the American Legion and Auxiliary.

It is well that all America pauses one day each year to honor American patriots who gave their last full measure of devotion in defense of this great republic. Our country is free today and remains the strongest bulwark of freedom on earth only because brave Americans have always been willing to risk death itself to defend it against all attacks.

As American Legion Posts and Auxiliary units gather on Memorial Day, in cemeteries throughout the country, this timely thought should be expressed so that all may hear: "A nation that fails to honor those who died in defense of their country is a nation that is well on its way to decay, rot, greed and tyranny."

It is not an easy task for a disabled veteran to make a poppy. Some of the poppies may look a little ragged and off center because they were made by our veterans working in wheel chairs, many suffering pain, or because of their crippled hands. In some instances, it takes two veterans to assemble one poppy. But through this Poppy Program, the American Legion and its Auxiliary are able to make the flowers bloom all year around for our disabled veterans and their families.

The Poppy brings to us the opportunity to help those brave men and women who are still suffering because they served. This year ahead will be brighter for them because of the poppies worn on Poppy Day.

To Entertain District Director

Antioch Unit will have as guests at the June 11 meeting, Mrs. Ann O'Neill, director of Tenth District and Mrs. Charlotte Reid, hospital chairman of Tenth District. Antioch unit president Mrs. Louise Erickson hopes the membership will be out in full for this meeting.

Nominating Committee Chosen

At the last meeting of the Antioch unit a nominating committee was chosen to make up a slate of officers for the coming year. Chosen were Mrs. Vera Horton, chairman, Agnes Hills, Zella Larsen, Lucy Himens and Deborah Van Patten. All Unit officers and chairmen of committees are asked to meet in the Legion Home Thursday, May 27 at 7:30 p. m. to make out their final reports for the year.

Decoration Day Parade

All organizations participating in the Memorial Day services are asked to be at the High School at 1:00 p. m., Monday, May 31. Cars will be provided for the Gold Star members and the G. A. R. members.

The line of march, under the direction of Ed Jahneke, will proceed to Antioch Park for the memorial services.

Hospital Day

Sunday, May 16 was hospital day at Downey Veterans' hospital. All units of Tenth District helped make this a party day for the veterans. Tea and cookies were served. Antioch unit contributed 200 cookies to the affair.

Conference Student Council Officers Elected Here

Officers for the Northwest High School Conference Association of Student Councils were chosen in the meeting here last Friday are (left to right) Robert Bloden, Glenbrook, second vice president; Mikal Wolf, Antioch, treasurer; David Neasett, Palatine, president; Joanne Miller, Wauconda, secretary; and Sherian Lawrence, Elmhurst, Lake Zurich, first vice president. (Courtesy Waukegan News-Sun)

Rainbow Girls to Install Officers Sat. May 22nd

Assembly No. 23 Order of Rainbow for Girls will hold a public installation Saturday evening, May 22 at 8 o'clock at the Masonic temple. Nancy Quinn will be installed as worthy advisor and Nancy Swenson as associate worthy advisor. Sharon Weber as charity; Kay Anderson as hope; Donna Reidel as faith; Marion Stowe as chaplain; Sue Wolfenbarger as drill leader; Gwen Royer as love; Rejoice Stieber as religion; Garnet Behrens as nature; Mary Lou Bushing, immortality; Peggy Cardiff, Fidelity; Carol McGlynn, patriotism; Judy Hostetter, service; Eleanor Storch, confidential observer; Tansy Maler, outer observer; Fay Mann, musician; Sigrid Petersen, choir director.

Members of the choir are: Sue Barnstable, Sharon Gray, Diane Mantis, Janet Beelow, Donna Gibbs, Phyllis Pincombe, Jill Camphousen, Lynn Gray and Barbara Yates.

The installing officers were: Ruth Raether, past worthy advisor; Antioch assembly, installing officer; Sue Thomas, past worthy advisor of Bensenville assembly, installing marshal; Phyllis Petersen, grand representative of Florida, installing chaplain; Jill Mahoney, member of state executive committee, installing recorder; Mrs. Mabel Lou Dow, past grand choir director, installing organist; Patricia Karsten, past Worthy advisor of Lake Forest assembly No. 80, installing soloist.

Odes to the flags: Janet Medema, American Flag and Ann La Verne Quinn, Rainbow flag.

Escorts and color bearers, Lakes chapter Order DeMolay, of Libertyville.

Mrs. John Quinn will be guest of honor and honored guests, Mr. John Quinn and Mrs. Edward H. Zinn. Miss Sharon Gray will act as mistress of ceremonies.

Mesdames A. F. Swenson, C. P. Weber, Burt Anderson and Nell Reidel will have charge of refreshments.

CELEBRATE THIRTY-FIFTH WEDDING ANNIVERSARY

Mr. and Mrs. James Stewart, North Avenue, Antioch, celebrated their thirty-fifth wedding anniversary Saturday. Relatives and friends of Antioch and Chicago gave them a surprise party during the evening. Many beautiful and useful gifts were received.

GOLD STAR MOTHERS HONORED AT AUXILIARY MEETING, FRIDAY

Gold Star Mothers were honored Friday evening at a meeting of the Antioch Unit American Legion Auxiliary at the Legion home. Gold Star Mothers present were: Mrs. Nellie Hanke, Mrs. Myra Randall, and Mrs. Helen Scott, and Gold Star sisters present were Mrs. Eva Gaylord, Mrs. Evelyn Freund and Mrs. Olive Tweed. Luncheon was served from a table decorated in blue and gold and garden flowers. Each guest received a gift and a beautiful corsage from the unit. Miss Nancy Swenson sang a special song for the guests.

Harry Nelson and Robert Gaston returned home Saturday after spending two weeks in Florida. Mr. Gaston and family plan to leave Antioch the first of June for Clearwater, where they expect to make their future home. Mr. Gaston will be employed with the Clearwater daily paper.

CUB SCOUTS TO HOLD BAKE SALE SATURDAY AT FORD GARAGE

Members of the Cub Scout troop of Channel Lake plan to hold a home bakery sale Saturday, May 22 at the Ford Garage, with the sale starting at 9 a. m.

Grass Lake Brownies Get New Troop Leader

Grass Lake Brownie troop No. 11 has a new Brownie leader, Mrs. Ethel Barker of Grass Lake rd., Antioch.

Mrs. Marie Nemec after four years as a leader will stay on as a committee member. Mrs. Florence Yancey is the co-leader. The meeting day has been changed from Monday to Wednesday, 3:15 to 5 p. m.

The troop has 28 Brownies with five planning to fly up into the Intermediate troop this fall.

The program this past year has revolved about an Indian theme with the troop staging an Indian naming ceremony at the Girl Scout exhibit May 1 and climaxing it with an actual Indian ceremony cookout down at their camp Monday, May 17. Dancing around the fire, four taking Indian names, they threw their birch-bark (with names on it) into the flames to be forever known as (for example) O' gish an da-Star, etc.

The Brownie Scouts will be planning cook-outs and hikes for their next few meetings.

WOMEN OF MOOSE DRAPE CHARTER FOR BERNICE SCHROEDER OF ANTIOCH

The charter of the Women of the Moose was draped last Thursday evening in memory of Mrs. Bernice Schroeder.

Five new members were initiated. They were Betty Meierdick, sponsored by Jane Meyers, Kathryn Elsfeld sponsored by Florence Dexter, Joan E. Linstrom sponsored by Darlene Roblin, Edith Arsch sponsored by Una Fox, and Marge Stoxen sponsored by Helen Wetherbee.

Darlene Roblin, chairman of the hospital committee introduced Betty Burger who provided a film on the subject "When to Choose Nursing." Various phases of the profession were shown. Refreshments were served by the hospital committee which included Dorothy Garnett, Lillian Stowe, Gertrude Good, Jane Meyer, Loretta Smith, Audrey Case, and Jane Verkest.

4-H'ERS ORGANIZE FOR SUMMER

Eighteen girls met recently with Mrs. Jesse Sobey and organized the Antioch Acorns 4-H club for the summer. Their project will be "Baking." Mrs. Paul Petak is assisting Mrs. Sobey as leader. The girls who meet at the leader's home have set Tuesday for their meeting day and will meet again after school on May 25 at Mrs. Sobey's home on Depot st. Membership is still open.

The Most Important Question Put to Jesus

There is deep meaning for us all in Jesus' answer to John's searching question (Luke 7), "Art thou he that should come? or look we for another?"

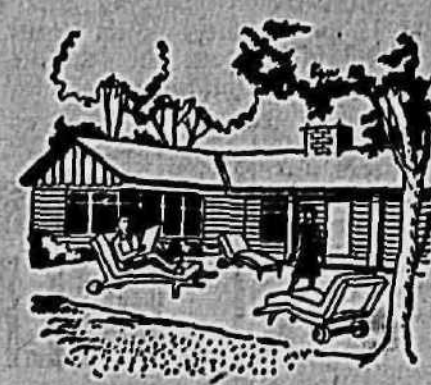

He gave his works as proof of the truth of his words: "Go your way, and tell John what things ye have seen and heard; how that the blind see, the lame walk, the lepers are cleansed, the deaf hear, the dead are raised, to the poor the gospel is preached" (Luke 7).

Christian Science is presenting to the modern world the same demonstrable truth.

Attorney General Says Taverns Must Close During School Election

Springfield, Ill.—There can be no legal sale of alcoholic liquors during school elections in Illinois, Attorney General Latham Castle held in an official opinion.

Attorney General Castle's opinion was issued at the request of State's Attorney Arthur R. Benz of Ford county. Benz asked whether the phrase "municipal election" as used in the statute prohibiting sale of alcoholic liquors during the hours of an election is broad enough to include school elections.

The statute, Castle's opinion states, prohibits liquor sales during the hours of national, state or municipal elections, including primary elections, but does not define the phrase "municipal election." However, the opinion points out, the State Election Code defines "municipal election" to include school township and school district elections.

Legislative intent, Attorney General Castle's opinion states, is the primary purpose in construing statutes.

utes and it is thus proper to compare statutes relating to the same subject matter as well as statutes on related subjects.

Applying this construction rule, the opinion states, "It would appear that the definition of the term 'municipal election' as set forth (in

the Election Code) could properly be applied in determining the meaning of the same expression as used in Par. 129 of the Liquor Control Act."

In addition, the opinion said, Illinois courts have held that sale of alcoholic liquors is prohibited dur-

ing the hours of an election for trustees of schools.

"In view of the foregoing," the opinion concludes, "I am of the opinion that the phrase 'municipal election' as used in Par. 129 of the Liquor Control Act, includes school elections."

Mr. and Mrs. Roy Kufalk motored to Byron, Ill., Saturday and visited their son, Robert, who teaches the seventh grade in the Byron Grade school. They saw a

county grade school track meet in which the Byron light weights coached by Robert, won first place and the heavy weights, also coached by him, won second place.

LAKE VILLA

The Women's Society of Christian Service met at the church this week on Wednesday with Mrs. Walter Sorenson and Mrs. Elmer Reister as hostesses. Mrs. Frank Wood was in charge of the devotional period.

The W. S. C. S. is making plans for the annual summer sale to be given in July. There will be the usual fancy work, aprons, rugs, quilts, fish-pond, novelties, bakery sale and public card party in the evening after the serving of a cafeteria dinner. More details from time to time.

A good sized addition has been put to the Haley garage on Rte. 21, to care for their increasing business, and the Sherry cafe on Grand ave. is also putting on an addition.

Mr. and Mrs. Millard Schneider and family have moved into the Schneider house recently vacated by the Holway family.

A number of Boy Scouts with their leader enjoyed a camping party at Libertyville over the week end.

The Lake Villa Community Men's club will observe "Ladies' Night" on Tuesday evening, June 1, with dinner at the Frolik Inn near the viaduct and dancing will be enjoyed.

The annual spring concert by the Lake Villa Consolidated Grade school bands which was scheduled for Sunday afternoon, May 16, has been indefinitely postponed by the illness of the instructor and leader Mr. Thala Rush. The band made a very good showing at the recent contest at Peoria and brought home three first superior ratings, ten firsts, six seconds, and two thirds, awarded for solos, duets and ensembles. The entire band is planning a trip to Elkhorn, Wis., on May 21 to visit the Holton Band Instrument company there if all goes well.

Mrs. Paul Avery, Sr., and Mrs. Frank Wood entertained the ladies of the Royal Neighbor Officers club at a meeting at the Avery home on Wednesday, May 12, and they worked on materials to be used at the annual public party in August.

Mr. and Mrs. Loy Rowling of Eugene, Oregon, called on friends here early last week and on Wednesday left Chicago by plane to visit the Homer Rowling family at Washington, D. C., then go on to New York. Loy was born here, the eldest son of Mr. and Mrs. Lincoln Rowling who operated a general store here until they moved to Eugene, Ore., forty years ago. Loy is now a bank official in Eugene, Ore., and is on a month's leave.

Mr. and Mrs. Arthur Boettner and daughter of Elizabeth, Ill., were week end guests of Mrs. Boettner's sister, Mrs. Russell Nickerson and family.

Mrs. Bessie Grimes of Chicago visited her cousin, Mrs. Bessie Boyer at Buena Park a few days last week. The Grimes family formerly lived on Rte. 59.

Mr. and Mrs. E. Holway and family who have been living in the Schneider house on Sherwood ave., have moved to the north side of Cedar lake to the Avery house. Mr. Holway is a registered pharmacist employed at the Summers pharmacy.

Mr. and Mrs. George Beemsterboer and two children of Chicago were guests of Mrs. Beemsterboer's sister, Mrs. Lester Hamlin on Tuesday last week.

Mr. and Mrs. Gordon Martin visited their daughter, Karen, who is a student at De Kalb Normal school on Mother's day.

Tips on Traffic Safety

By
CHARLES F. CARPENTIER
Secretary of State

Revocation or suspension of a driver's license is a serious matter, and the law provides severe penalties for anyone convicted of driving after his license is revoked or suspended.

The basic purpose of the new Drivers License Act is to protect the great majority of drivers from the few who are a constant menace on the streets and highways. Once a person's license has been revoked or suspended because of a consistent

record of traffic law violations or because of conviction by a court on a charge which requires that action, he is taking a long chance of spending a considerable amount of time in jail if he continues to drive.

The law provides for a minimum of seven days in jail for anyone convicted of driving while his license is revoked or suspended. It may be as much as a year. In addition, he may be fined as much as \$1,000.

These may seem like stiff penalties, but traffic safety experts are convinced that they must be in order to show reckless drivers they are not going to be permitted to endanger lives indefinitely.

You save time in traffic. New truck Hydra-Matic transmission gets you off to smooth, time-saving starts without shifting or clutching. Imagine how easy this makes driving in traffic and on delivery routes! It's optional at extra cost on 1/2-, 3/4- and 1-ton models.

You save time on the highway. New high-compression power gets you up to highway speeds from a standing start in less time, and saves you time on hills, too. You make trips faster—and the new Comfortmaster cab makes them seem shorter. It's got everything.

You save extra trips, too. That's because of the extra load space you get in the new Advance-Design bodies. New pickup bodies are deeper . . . new stake and platform bodies are wider and longer. Also, they're set lower to the ground for easier loading.

MOST TRUSTWORTHY TRUCKS ON ANY JOB!
Chevrolet Advance-Design Trucks

You save on operating costs. High compression power saves you money! The "Thrifmaster 235" engine, the "Loadmaster 235," and the "Jobmaster 261" (optional on 2-ton models at extra cost), deliver greater horsepower plus increased operating economy.

You save with lower upkeep. New Chevrolet trucks are built stronger to last longer and save you money on maintenance. There are heavier axle shafts in two-ton models . . . bigger clutches in light- and heavy-duty models . . . stronger frames in all models.

And your savings start the day you buy. In fact, they start with the low price you pay—and they never stop. Chevrolet you know, is America's lowest-priced line of trucks. And it's also the truck that has a traditionally high trade-in value.

Come in and see how much you're ahead with America's number one truck. You'll like the way we're talking business!

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

Independent businessmen favor
greater grass roots control
of money and credit.

In just completed nationwide
membership poll by National
Federation of Independent Business,
voting was 75% in favor
of companion bills by Senator
Capehart and Congressman
Muller.

These bills seek to place
bank holding corporations on
same footing as independent
banks.

Holding corporations would be barred from
controlling both banks and non-
banking enterprises; from adding
branches without securing
same approval required of independent
banks.

For many reasons, independent
business wishes independent
banks made more secure.
One reason is local control of the
communities cash and credit by
people with firsthand knowledge
of local conditions is better for
all. Another major reason is belief
bank holding corporations have
aided local governmental
extravagance. Much extravagance
has been at the local level, as
local politicians love to spend
money, too.

A political subdivision, wishing
to issue bonds to pay for any
scheme thought up, usually finds
who will buy the bonds before an
election is decided upon. Politicians
know how to bullyhoo across
bond elections, but don't want
to end up with a batch of bonds
that can't be peddled. In contemporary
times, local politicians have found
bank holding corporations very helpful.

lien on all the real estate in a
subdivision distant financiers,
faced with huge sums of cash
siphoned off from many sources,
are only interested primarily
in whether the total assets of the
community adequately back up
the bonds; not in a long range
viewpoint of community needs.

Thus, even with grandiose
schemes that no local banker
will endorse, politicians can go
to a bank holding corporation.

With a constant feel on the
community pulse, the local banker
knows whether or not the
county can afford a gold plated
courthouse at this time, or
whether it should settle for a
more modest structure, and reserve
some of its bonding capacity
for needs of the near future
such as more schools.

But when politicians can hook
the community assets with a distant
financier on the basis of cold
balance sheet figures, and thus
the wise counsel of local bankers
conditioned by an intimate
knowledge of local needs is lost
to the community, local political
subdivisions are in for future
trouble.

Even today some communities
with urgent needs have found
their bonding birthright already
pledged by politicians in a manner
that would have never been
possible if the sale of bonds had
depended upon the judgment of
strong local banks.

Thus today, a few bank holding
corporations through ownership
of federal, state, county and
city bonds, own much of the U. S.
Government. Tomorrow the
whole world may pay interest to
Caesar. And that is why independent
businessmen want this trend
stopped; want not smaller,
but much bigger locally owned
independent banks.

College Professor Will Address Lions Club at Guild Hall on Monday

The Antioch Lions Club will conduct its regular program meeting at 7 p. m. Monday at St. Ignace's Episcopal church. The dinner will be served by the ladies of the church.

John Hojem has made arrangements for the program discussion topic. Professor John Keller of Lake Forest College will present the topic "What's Ahead for Antioch, for Yourself and Your Children," (Social and Economic Trends.)

Professor Keller was born on a farm in Waukesha county so knows a great deal about the Antioch community. He has been associated with the Lake Forest College for the past 26 years. Keller is the founder and present director of the Industrial Management Institute of Lake Forest college.

John Hojem has indicated that John Keller's topic should be one of the most interesting programs this year. Lions Club members are encouraged to attend this meeting.

TOO LATE TO CLASSIFY FOR RENT—New modern, 3 room furnished apartment, tile bath, utility room, for 3 months, adults. \$75. per mo. Tel. Antioch 23.

Bill Maleck Finishes Second in High Hurdle at Campion High

Bill Maleck, Antioch youth at Campion High School, Prairie du Chien, is shown (right) participating in the 120-yard high hurdles at Campion in which he finished in a tie for second after tripping on a hurdle. The race was won by George Braasch (left) of Campion. The second man is Dick Burrell of Dubuque and the third Bob Murphy of Loras High. Loras defeated Campion 73½ to 71½ and Dubuque got 59 points.

WHICH is the easier way to pay bills?

WHEN YOU PAY THEM IN PERSON, YOU:

Waste time travelling around town;

Spend carfare or parking fees;

May have to face bad weather;

Frequently stand in line.

WHEN YOU PAY THEM BY CHECK, YOU:

Save time — just mail your checks;

Save money;

Stay warm and dry at home;

Avoid standing in line.

IT WILL PAY YOU TO PAY BY CHECK.
COME IN AND OPEN YOUR ACCOUNT.
